LUXURY SERIF TYPEFACE

Logo

The two “a”s symbolize parents—equal, connected, and supportive. Their form represents the bonds within a family, while the heart above symbolize love and their children.

At Amare, luxury is not defined by formality. Instead of the thin serifs or sharp lines, a soft sans-serif can convey more of calm comfort and modern aesthetics.

Logo Size

Everywhere it appears, the Amare logo is thoughtfully sized. Like the family relationship they symbolize, the gentle curves of the two “a’s” and the small heart above them remain visible and comfortable whether displayed at 112, 134, or 180 pixels.
